Commit to the Lord whatever you do, and He will establish your plans. In all your ways acknowledge HIM and He will make your paths straight.

— Proverbs 16:3

Welcome to the Christian Caregiver Support Ministry.

Your Free help in starting and continuing a Caregiver Support Group!

You will find many resources that will provide Christian support to caregivers and those who want to start a Christian caregiver support group.

*On this page look at the **suggested meeting outline** to give your ministry structure (download for your group). Those who have attended our support groups have found this outline comforting and helpful.*

The song "Rest" (words and music) give both space and focus to a restful sabbath time caregivers need (CCLI license required check with your congregation).

The Spiritual Helps and food for thought and comfort and can be used for meditation or discussion.

*Topics and Tips is your **BEST SOURCE OF CURRENT NEWS** for caregivers. There are about a dozen articles a week.*

Check the Caregiver Blog for spiritual topic suggestions as well on the Caring for Caregiver page for caregiver devotions.

The Resources page contains a broad range of resource web sites for caregivers.

Feel free to explore this site for other info and changes I may make. If you use these resources, I would love to hear from you. My material has a creative commons copyright. That means you can use it freely, but cannot charge or make money with my material.
